GROWER

In 1988 Karatay Industry in a small workshop which started production venture, the last all year, self-renewing the human investment, quality, continuity of care and range of products over a wide area on foot AYBEY GASKET heavy commercial vehicles for the Engine and Compressor gasket. The GROWER brand and production continues.

Produced by each of the product behind a strong brand in the sector included GROWER, advanced technology production tools and large machinery, with quality and high productivity without sacrificing the always creative and innovative ideas in line with industry standards to rise by contributing to the customer expectations in the best way to meet all the word knows a reliable brand aims to be.
